STAT

Dear :

Many thanks for all of your help to   
and myself during our recent visit to the Spokane Expo.  
It was well worth the long trip and your helpfulness  
and charm made it all the more enjoyable. Both of us  
are very much in your debt and hope that our paths  
cross again.

With every good wish and many many thanks,

Faithfully,

Vernon A. Walters  
Lieutenant General, USA
